**EXEMPT WELLS  
 CAPABLE OF PRODUCING  
 MORE THAN 25,000 GALLONS / DAY  
  
 AGREEMENT**

*I hereby certify that this well is exempt under the following provisions:*

- **The well is used solely for agricultural and/or domestic use and is capable of producing more than 25,000 gallons per day;**
- **Such well is registered with the District; and**
- **The owner signs an agreement with the District agreeing that such well will not actually produce more than 25,000 gallons on any day.**
- **If such a well produces more than 25,000 gallons on any day, it must comply with the District’s permitting requirements unless they are waived by the Board.**

*I agree to comply with the District’s requirements as stated above and certify that this well will not produce more than 25,000 gallons per day on any day.*
