## **NOTICE**

The Fayette County Groundwater District Board of Directors, at a duly noticed and posted public meeting, held on May 4, 2026, approved revisions to the District Rules which may affect your conducting business within the FCGCD boundaries.

As these revisions became effective at the moment of approval, it is imperative that your company read and understand the rules and revisions, so that you and your clients can avoid any potential problems with compliance.

**IMPORTANT NOTE:**      **Section 6.2 – Exempt Wells**  
                                 **Section 8.1 – Maximum Allowable Production**  
                                 **Section 8.2 – Large Scale Groundwater Pumping Projects**  
                                 **Section 13.3 (c) – Pump Installation Report**  
                                 **Section 13.5 – Inspection Port.**

A complete copy of the approved District Rules is available at our website: [www.fayettcountygroundwater.com](http://www.fayettcountygroundwater.com). For your convenience, included in this correspondence is a brief summary of the major revisions to the District Rules. The well registration, which is required prior to drilling a new well has been revised and can be submitted through our website.

**REALTORS/TITLE COMPANIES:** The Notice to Purchaser and the Exempt Well Transfer forms required to be given to landowners with water wells on property being purchased can be found our website.

**WELL DRILLERS/PUMP INSTALLERS:** The addition of the required Pump Installation Report form can be submitted online via our website as well. Each form has their own tab at the top of the page. The State of Texas well report can now be submitted through our website, the page can be found under the MORE tab at the top of the page.

If you should have any questions regarding this notice, please feel free to contact the district office. Our contact information is located at the top of this page.

Respectfully,

*David A. Van Dresar*
